Post 160 Food Pantry

The American Legion Post 160 Food Pantry is a staple in the community, serving approximately 150 or more families a year. Although not large in size, we pack a powerful punch; helping one family at a time. Unlike other food pantries, we operate by appointment only. We're boutique in nature. We conduct three food giveaways a year, Memorial Day, Thanksgiving, and Christmas.
The Food Pantry is grateful for the donations of food last month. However, we need to keep those donations coming in. We've designated every Thursday as the day to drop off your donation. Please drop your food donation in the box at the entry of the Social Quarters. It was also determined that we collect monetary donations each quarter at our General Membership meetings. Of course, you can make donations at any time. All food and monetary donations go towards helping Veterans and their families as well as the surrounding community.

We're not supported by any major Food Bank. All food and monetary donations are provided through private funds. Remember, if you're experiencing food insecurity or want to make a donation, you can contact the American Legion Post 160 Food Pantry at post160foodpantry@gmail.com or (770) 585-4103.
